Monitoring Questionnaire

Ref. No (for office use only):

We are an Equal Opportunities Employer. We do not discriminate on grounds of religious belief, gender, orientation or political opinion. We practice equality of opportunity in employment and select the best person for the job.

To demonstrate our commitment to equality of opportunity in employment we need to monitor the community background of our applicants and employees, as required by the Fair Employment and Treatment (NI) Order 1998.

Regardless of whether we practice religion, most of us in Northern Ireland are seen as either catholic or Protestant. We are therefore asking you to indicate your community background by ticking the appropriate box below.

I am a member of the Protestant community

I am a member of the Roman Catholic community

I am a member of neither the Protestant nor Roman Catholic community

Please indicate whether you are:

Female Male

If you do not complete this questionnaire, we are encouraged to use the "residuary" method, which means that we can make a determination on the basis of personal information on file/application form.

Note: it is a criminal offence under the legislation for a person to give false information in connection with the preparation of the monitoring return.
